Welcome - 2024 North Queensland Ceramic Awards

The biennial **North Queensland Ceramic Awards** has long aimed to increase public exposure to a high standard of pottery from around the nation. A showcase for both well-known and emerging artists, this competition displays the diversity of ceramic art currently being produced in Australia.

The **City of Townsville Art Collection Award** of \$10,000 continues to provide an opportunity for artists to become a part of one of the nation's most significant ceramic collections, as well as ensuring the continued growth of this important subsection of the City of Townsville Art Collection.

Selected works will be on display at Perc Tucker Regional Gallery from **18 October 2024 to 2 February 2025** and will be eligible in various categories beyond the major **City of Townsville Art Collection Award**.
